Are you smarter than your neighbor? Are you the one that always wants to play Trivial Pursuit at a family gathering? If you answered yes to these questions, then the Eastern dance teams have just the thing for you.

The Eastern High School and East Washington Middle School dance teams are joining together to create a fun-filled, family oriented night for you. They are hosting a "Trivia Challenge" night on October 24 at 7 p.m.

This is very much like playing Trivial Pursuit or Who Wants to be a Millionaire in your home. However, there is a plus. The grand prize to the winning team is \$150 cash. You definitely can't get that at home or by spending your Saturday night at the movies.

The teams are hoping to raise money for costumes and competition fees throughout this season. You could help by putting together a team of six people and joining in the fun. The cost is \$10 per person. There will be lots of food, fun and laughter for all. This is a good opportunity for a family-oriented evening that's very affordable. How often does that opportunity arise?

Who can play? Anyone! Ask your neighbors, relatives or co-workers. In fact, the teams are throwing out a challenge to the community. Businesses and schools can put together teams to see who is the "smartest" in the community. A trophy will be awarded that night to the smartest business or school!

The teams are also hosting a "Day Out" sale from 1 to 5:30 p.m. that same day. They are looking for interested vendors. The cost for booth space rental is \$25. Currently, they have vendors representing Celebrating Home, Mary Kay, Avon, Premier Jewelry, Longaberger Baskets. They also have various vendors who have artwork and crafts for sale. This is a wonderful chance to get that Christmas shopping started. Anyone interested in purchasing trivia tickets, or obtaining vendor space, please contact Lisa Knight at 967-2896. But you must hurry. Tickets for the trivia challenge or going fast. Vendor registration deadline will be October 15. Both events will take place at the Pekin United Methodist Church's gymnasium. This is located on Shorts Corner Road, behind Newlon's grocery, in downtown Pekin.
