The Borden Youth Football League offers an early learning flag football division for ages 6 and 7. This age is a great time to start teaching the game of football to your child.

Flag football can also teach life skills that every child needs such as teamwork and responsibility. The flag division level teaches the fundamentals of football, while having fun. The practice schedule is typically two days a week and games are on Saturday mornings. Games for the 2010 season will begin in late August or early September.

Registration information will be published toward the end of the school year.
