Relay for Life of Harrison County will host its Kick-Off on Tuesday, January 12 at 6:30 p.m. in the Corydon Central High School Cafeteria. Cancer patients, survivors and caregivers can attend to learn more about how the Relay for Life benefits the lifesaving work of the American Cancer Society. Anyone interested in starting a team for their workplace, family, church group or organization can come and find out how to participate. Relay for Life will be held June 11 & 12 at the Corydon High School Track.

This year Relay for Life of Harrison County will reach \$1 million. All teams from the past 14 years are invited to join this year as a legacy team. Fighting cancer means our friends and loved ones have the chance to celebrate more birthdays. We will celebrate these birthdays and work toward a million more at the Relay Kick-off.

Refreshments will be served.
