On June 5, Harrison County Deputy Gary Gilley was responding to State Road 135 South of Corydon to an erratic driver heading north. As Deputy Gilley got close to Fairview Church Road on State Road 135 he saw the alleged erratic driver coming towards him.

The vehicle, a black 2001 Acura, MDX, SUV, was all over the roadway coming north, so Deputy Gilley pulled to the right side of the road on the south bound side.

Deputy Gilley activated the emergency lights on his 2009 Ford Crown Victoria fully marked police car. As the Acura MDX approached him, Deputy Gilley stated he saw the vehicle pull to the right side of the road on the north bound side. As the Acura pulled to the right side of the road, it struck a dead deer already lying on the side of the road. When the Acura struck the deer, it accelerated, coming back into the driving portion of State Road 135, then crossing the south bound lanes striking Deputy Gilley who was stopped on the right side of the road.
