The Harrison County Health Department and Harrison County Hospital will offer a seasonal drive-thru flu vaccine clinic on Tuesday September 25 from 12:00pm-4:00pm in the Harrison County Hospital Parking Lot. Cost is \$15.00 payable in cash or check only, will bill for Medicare patients, Medicare card must be presented. The clinic is offered by the Harrison County Health Department and Harrison County Hospital and is for adults age 18 years and older.

Vehicles should access the clinic by following Highway 337 towards Harrison County Hospital and turning onto Hospital Drive. Signage, cones, and traffic control officers will direct drivers into the Hospital parking lot. Nurses administering the vaccine will be available on both sides of the car for the convenience of drivers and passengers requesting the shot. Those receiving the vaccine should wear sleeveless or short sleeve shirts.

For faster service, print and complete the drive thru vaccine consent form in advance and bring it with you to the clinic. Form is available online at www.hchin.org or www.harrisoncountyhealth.com.
