

Cornerstone Church is excited to announce that on Sunday, September 8th they will officially be breaking ground on a \$3 million expansion of their current campus. The new expansion will include a 345-seat auditorium, an extensive lobby, classrooms, offices, and additional parking. Cornerstone is a growing and vibrant church that is proud to be serving their community- something they've done with excellence for over 30 years.

Cornerstone Church first opened its doors on July 12, 1981. At that time the church was led by Pastor Daryl Banet and his wife Linda, with several key families who believed in the vision of the church. For over 30 years of ministry they experienced God move in many ways. In seasons of joy they celebrated God's hand at work, and when their faith was tested His faithfulness was proven even more. After 31 years of fruitful ministry, their founding Pastor had the honor of releasing his son into the role of lead pastor. Today, Pastor Channock Banet leads a vibrant congregation of committed believers who are excited about the ways in which God is moving.

"One of the most exciting things about this building is that it will be built debt free," says lead pastor Channock Banet. "We have been blessed as a church in so many ways, and I can't wait to see what God is

The groundbreaking ceremony will be held immediately following the 10:30 am service on Sunday, September 8th, with a grand opening ceremony scheduled for summer/fall 2014.
