In an attempt to raise money for a local family there will be a yard sale/flea market at Pekin United Methodist Church this Saturday.

The family is in need of money because one of their children, Abbie, is in need of heart surgery.

All proceeds from "Abbie's Market" will be used to benefit the family as they travel through this experience.

Tables are still available for \$10.

Organizers are also asking for items to be donated and sold.

If you'd like to donate an item or reserve space, call 812-620-8512.

Concessions will be available to be purchased and a car wash will be taking place outside.
