? It's that time of year again. Ethan Popp is requesting help collecting blankets for the homeless.

This is his third year collecting blankets for local homeless shelters. His goal for this year is to collect 150 blankets. These blankets can be gently used or new.

Popp and his family will deliver the blankets to shelters around Christmas time. Last year, around 100 blankets were collected.

Please contact Popp at 967-2142 if you wish to donate blankets. They will be able to pick-up blankets if needed.
