The East Washington Scholarship organization would like to express their sincere appreciation to all those that had a part in the 12th annual Bill Cope chili supper.

Thanks to the citizens who enjoyed a fine meal, the donors that contributed cash gifts and all the teachers, staff, students, and administration who donated work and food items. We would be unable to run the event if not for the courtesy of Eastern School providing use of the school facility. Thanks to Marsha Whitlow for preparing the wonderful chili and donating her time and experience.

Special thanks also go to the fine businesses and others who donated for a table sponsorship. Those generous sponsors were (\$100) donations Newlons Store, Scotty's Sanitation & Mid Southern Bank.

(\$50) donations 1st Harrison Bank of Salem, Judy Brown EWSC, Terry Thixton EWSC, & Party Central Clarksville.

(\$25) donations Cecil & Pat Shrout EWSC, Carole Backherms EWSC, Sherry Wininger EWSC, Sue & Gerald Rose EWSC & Eastern French Club % Alice Nevels EWSC.

Your support helped to make the 12TH annual Bill Cope Chili Supper one of the most successful ever with over \$2,200.00 raised. The result of this success will be awarded in the form of scholarships to Eastern graduates this school year.
