

The theme this year at Floyds Knobs Elementary School for the 2017-18 school year is Learning Rocks.

The idea is for teachers to Teach Like A Rock Star and students to learn Like a Rock Star.

Students recently had a spirit week where they traveled through the rock ages.

Pictured at right is Mrs. Branham teaching students in an Elvis costume.

If you'd like to see some of your child's or grandchild's activities appear in the paper, encourage them to submit the items to us here at The Banner Gazette at gbrowning@gbpnews.com.

Readers want to see and be part of what students are learning in the class rooms.
