Scottsburg High School will host the 50th Annual Academic Awards Banquet on Monday evening, September 21, 2009, at 6:00 PM in the high school Commons. Dinner will be served, followed by the awards program honoring students who have earned a cumulative grade point average of 3.3 in four academic subjects. Members of the National Honor Society will also be recognized and new members inducted during this program. National Honor Society members must have completed at least 3 semesters with a 3.5 g.p.a. in all subjects and be voted on by teachers.

Class of 2000 Scottsburg High School graduate Gerald Rea will be the guest speaker for the evening. Mr. Rea attended Rose-Hulman Institute of Technology studying Optical and Mechanical Engineering. While in college he worked with small businesses to help bring their products to market. After college graduation Mr. Rea decided that he wanted to create new technology for a living and founded Stray Light Optical Technologies, Inc. He is currently the CEO of Stray Light and is pursuing green, energy efficient technologies.
