On today's date (Dec. 22) at approximately 1:30 a.m., detectives from the Indiana State Police Post at Sellersburg were sent to Kosair Children's Hospital in Louisville, KY to investigate an allegation that an 18 day old male, Gaven Henderson, of Scottsburg, had suffered inflicted, life threatening injuries.

The only information available at this time is that the mother of the child found him unresponsive at approximately 10:30 p.m. last night, and called 911. The child was transported to the Scott County Memorial Hospital and then transferred to the Kosair Children's Hospital in Louisville, Ky where he later died.

An autopsy will be performed at the Kentucky Medical Examiner's Office in Louisville, KY tomorrow morning to determine the exact cause of death.
