The popular “Come to the Fair” parade is set for Sunday, July 10, and the entire community is invited to attend and/or participate starting at 3 p.m.

The event is once again being coordinated by the Scott County Fair Board. Cody Smith parade chairmen, said entries will be accepted up to 2:30 p.m. that Sunday.

Those who sign up by the deadline will be eligible for trophies in the various categories offered. This year’s theme is honoring those who serve in our military. Motorists who come into the city’s downtown area early to pick out their favorite places from which to view the parade are reminded that there will be no parking around the downtown Courthouse square.

Eliminating parking will enable floats and other parade entries to have ample space for traveling the parade route around the square.

The parade follows a fairly easy route. Participants will travel east on McClain Avenue from Bond Street and go three-fourths of the way around the square, turning south on First Street and west on Wardell Street. It will continue west to U.S. Highway 31, then turn south and proceed to the Fairgrounds, passing through the fairgrounds past the show arena, cattle barn, horse arena and onto the road back to U.S. Highway 31.

Entries involving groups, especially children, are encouraged to plan ahead and notify parents if the group will disperse at the end of the route.

If so, these entries may pull out of the line and into the gravel lot south of the horse arena. All other entries are asked to continue past the parking lot and onto the road back to U.S. 31.

Entries must be registered no later than 2:30 p.m. on the day of the parade in order to be eligible for awards. Mosier and Richey said the parade registration booth will be located on North Bond Street at the Scottsburg Post Office parking lot. There is no registration fee.

The Best of Parade award will be given to the entry which is considered by the judges to be the most outstanding.

Award winners in the parade will be notified at the end of the parade route. Awards may be picked up at the Fair Office before leaving the Fairgrounds.

Local police officials have warned that only licensed drivers will be allowed to operate vehicles in the parade, and all cars and trucks must be licensed.

No demolition derby, enduro or other race cars may be driven. They may however, be transported on trailers.

For safety reasons, no person under the age of 18 may ride a bicycle, tricycle, motorcycle, moped, scooter, mini-bike, three-wheeled ATV or any other vehicle that parade officials may consider hazardous; unless the rider is accompanied by a parent or guardian over the entire course of the parade.

Tractors should line up with the automobiles.

Smith stated that last year's parade was one of the longest in history at least so we were told. We had a lot of businesses that participated for the first time and hope to see them back and many more join them.
