The members of New Providence Church are making plans for their annual Community Day festival. This year's festival is planned for Saturday, September 12, from 9 a.m. to 3 p.m. Plans are being made for a full day of free entertainment, including musical entertainment, a basket auction, and the annual baby contest. In addition, there will be a food booth offering fish or barbecue sandwiches, as well as the ever popular country store selling fresh baked pies, cakes, breads, rolls, cookies and candies made by the church family.

Vendors are welcome to set up, but space is limited, so please apply early. No yard sales please. To reserve booth space or for more questions, contact Laurel Rode at 1-812-820-0928.
