The Charlestown Police Department, in an effort to assist investigators in solving criminal cases and investigating illegal drug activity, has launched an anonymous crime tip line.

Anyone witnessing or believing they have accurate information about any crime or illegal drug activity in Charlestown, is asked to call the new tip line at 812-256-CHPD (2473), 24 hours a day, seven days a week. Citizens should not use the crime tip line to report crimes in progress or emergency situations. Messages left on the anonymous tip line will be checked on a daily basis, and all information provided will be evaluated and used to help solve existing criminal cases as well as investigate new information.

Helpful information to leave on the tip line includes any known suspect names, physical descriptions, vehicle types and license plate numbers, and the time of day and/or day of the week occurred. Any and all information may help the department solve any case, suspicious activity information routinely solves cases that the general public may not know exist.

Crime Tips can also be e-mailed to the Charlestown Police Department Criminal Investigations Division by using CrimeTips@CtownPD.com, and more Crime Prevention information and suggestions are always available at the department's website, located at www.CtownPD.com.

All crime tip information will always be kept confidential.
