? The Charlestown Beautification Committee and Charlestown Mayor Bob Hall are working together to build a Christmas city. They need your help.

This year light up Charlestown and the Christmas season will be very exciting as they unveil their 40 foot Christmas tree in the park.

They are also making big changes on the square and around the city. They need volunteers to help make this happen.

They need volunteers for the square, the A&E Center, Greenway Park and for the entrances coming into the city.

Please join them on Tuesday, October 21 and Tuesday, October 28 at the Arts and Enrichment Center, 999 Water Street, at 6:30 p.m. to discuss the plans and to get involved with helping them make Charlestown a "Christmas City."

They are also encouraging families, churches and businesses to begin planning your Christmas decorating.

For more information please call Rhonda Davidson at 502-413-1338 or 256-3422 or Donna Coomer at 256-7126.
