On September 9, 2013 Danny, a 33 year veteran and past Chief of the fire department, was assisting a stalled car by pushing it off the road safely to the edge when he collapsed. They

almost lost him twice that day, but he put up the biggest fight of his life and came back to his loved ones. Since then he has suffered a heart attack, a stroke (partially paralyzing his left side), and collapse of his left lung. He has undergone many different medical procedures. He spent 29 days in ICU, then two days in rehab, back to the hospital for an additional seven days. He was released from rehab on Sunday, November 10. He still has a long road of recovery ahead of him.

Before this incident his wife, Angie had back surgery and has not been able to return to work.

Due to his many years of unselfish help the New Washington Volunteer Firefighters are now asking their community to join them in helping show support. They are asking local churches, and businesses to help provide. All donations will receive a receipt upon request for a tax deduction. Food to be served: bean/potato soup, cornbread, hot dogs, smoked Boston Butt, desserts, tea and lemonade for refreshments.

For those unable to attend there are also collections jars at the following locations:

It is the hope of Stoner's firefighter family to show him the support that he has shown to so many friends and strangers in his years of service to the community, and the surrounding areas through mutual aid.

When asked to help promote the fundrasier, David Abbott, Sr., was quick to help.

"Rachel asked if I could help get the word out. I just wanted to do what I could to help Danny," Abbott stated. "I want the entire community to come together and help a man who has spent his life helping others. Danny has been with the New Washington Volunteer Fire Department for 33 years, serving as Chief from 1997 to 1999. He always answered the call, no matter what time of day or night, now it is time for the community to answer the call to help Danny."

Abbott concluded, "The fundraiser is Saturday. Now is the time to help one who has dedicated his life to helping others. We want everyone to come out and have a bowl of soup, enjoy some time with family and friends and maybe even pick up a few Christmas presents at the auction. Let's all come together to show Danny the community is supporting him 100 percent!"
