by JANNA ROSS jross@gbpnews.com Many chats lately around Clark County over coffee, or tea or just sitting around and talking with friends have turned to who will be running for what office in this year's election. Many names have been dropped for offices such as Clark County Sheriff or Clark County Recorder or even Representatives in Congress or Senate.

Candidates have now filed for their respective offices with the deadline of February 7. Offices that do not have a candidate filed may have a candidate file through the Party County Chairman by June 30 for the November General Election.

Candidates that have filed for office in Clark County include:
