

The Charlestown Lions Club, celebrating its 80th anniversary this year, will be hosting the Lions District 25F Vision Van during Founder's Day. The Van will be in the same location it has occupied for the past several years, next to the U.S. Post Office and will be open from approximately 9 a.m. to 3 p.m. on Saturday, June 21.

Free vision screenings will be available. These screenings are diagnostic and help you know whether a visit to the optometrist or ophthalmologist should be scheduled.

All ages are encouraged to take the opportunity, as you are awaiting the start of the big Founder's Day Parade or mulling about the various Arts & Crafts booths on the city square, to stop by for a quick vision screening. Learn more about Lions Club International and the Charlestown Lions Club while you are there.

If you have questions about the Vision Van or about Lions Club generally please call John Spencer at 502-593-0472.
