? Saint Catherine Regional Hospital announces that renovation of the physician offices at 2100 Market Street building 100 is set to begin the week of November 10.

During this renovation the building and offices within will be remodeled to better accommodate the doctors and the patients they serve. During the renovation of building 100 Dr. Alexander Gatzimos will be primarily seeing patients at the Sellersburg office located at 110 South New Albany Avenue, (812) 248-9350. Dr. Gatzimos will be seeing patients in Charlestown on Wednesdays in the office of Dr. George Alcorn located at 2100 Market Street Suite 204, (812) 256-7830.

Mike Funk, President and CEO of Saint Catherine Regional Hospital stated, "Saint Catherine Regional Hospital is pleased to be able to offer improved facilities for our medical staff. After completion of the renovations, our physicians should be better able to serve their patients in a spacious, more comfortable environment."
