Thursday, 30 July 2009 00:00 - Last Updated Thursday, 30 July 2009 11:40

The Clark County Soil and Water Conservation District's (SWCD) annual Fall Tree Sale is now in progress.

Once again the SWCD will be offering quality stock from Forrest Keeling Nursery, Missouri.

These trees are 3-gallon, Grade 1 (nursery stock) container trees growing using Forrest Keeling's RPM® (Root Production Method). This method produces fast-growing, uniform trees, which can be easily removed from their containers and directly planted.

Species available are: American Beautyberry, Autumn Blaze Maple, Bald Cypress, Catalpa, Cinnamon Bark River Birch, Kentucky Coffeetree, Northern Redbud, Norway Spruce, Paw Paw, Persimmon, Quaking Aspen, Red Buckeye, Shadblow Serviceberry, Snowdrift Crabapple, Swamp White Oak, Sweet Bay Magnolia, Tulip Tree, White Flowering Dogwood, White Pine and Witchhazel.

These trees are \$25 each plus tax.

Other items included in the sale are: Tree-Mate-O "Tree Success Kits" (tree support, guard and stake), wildlife nest boxes and tree and shrub books.

Deadline for orders is September 14. Trees will be available for pick-up between the hours of 8 a.m. to 4 p.m., September 28 through October 2 at the SWCD office.

For tree order forms or more information contact the Clark County SWCD office at 256-2330, ext. 3. Order information is also available on the SWCD web site at www.clarkswcd.org.
