Charlestown Pirate Pride Sports Broadcasting will soon begin its second season of exclusive broadcast coverage of Pirate and Lady Pirate athletics, sponsored by Field's Custom Cabinets of Charlestown.

A division of the Charlestown Pirate Pride booster club, Pirate Pride Sports Broadcasting is a group of volunteers whose goal is to increase school spirit, pride, and access to select Pirate and Lady Pirate athletic contests.

Broadcasts can be heard live during game times or in an archived version afterward; free of charge over the internet from Charlestown Pirate Pride's website at www.CharlestownPiratePride.com. Fans at the game can also listen to broadcasts live on 107.3 FM. Game broadcasts include play-by-play, statistical, and local scores information; as well as interviews and on-the-field or court coverage.
