A Friday night tradition in Indiana, high school boys' basketball, has been put on hold due to the weather.

Most of the games scheduled for tonight have been canceled.

Salem was set to host Orleans, West Washington was hosting Brownstown Central and Eastern was scheduled to host Silver Creek.

The Eastern-SC game was a Mid Southern Conference contest and will have to be made up. The tentative date for that is Jan. 20.

No decision has been made yet on Salem's game Saturday night at Crawford County.

Eastern's afternoon girls' game has been canceled as well. The Lady Musketeers were set to host Crawford County at 1:30 p.m.

The only other weekend game was the Salem Lady Lions' contest against Silver Creek. A decision about that game will not be made until late Friday night or Saturday morning.
