Club Impact is offering their second consecutive season of club volleyball for ages 11 to 18 for boys and girls.

Club Impact announces 2010-2011 season. Club volleyball is open to all area schools. The girl's club fee is \$425 for the 2011 season. We have increased our schedule this year to include a minimum of 9 tournaments. Please see website for fundraiser details. Players can drastically reduce their individual \$425 fee with fundraising.

Tryouts are November 14th and 21st from 2-4pm at Eastern High School. Each player is asked to come to one of the tryouts. Teams will be made and practices will start in December. Practice is generally on Wednesdays and Sundays in order to not conflict with other High School sporting events. Tryouts will include a \$50 nonrefundable tryout fee. This fee is for USA Volleyball Registration and Insurance.

Required for Tryouts:

1. \$50 nonrefundable fee.
2. Medical Release form
3. Proof of Registration with USA Volleyball.

To Register:

Go to www.pioneervb.com and sign up as a "new member"

*If you are trying out for more than one club, please put "undecided" as your club choice.

You do not send payment in, please pay at tryouts. Print your confirmation and bring to tryouts or you WILL NOT BE ALLOWED to participate.

We would like to offer the opportunity for a boy's team. There are a limited amount of boy's club teams in the area. Please contact Casey Gamero at 502-376-5196 to sign up if you are interested in participating. If enough boys sign up, a meeting will be set in order to determine the scope of season.

Visit us at www.eteamz.com/clubimpact for photos of last season, medical release form, and more information.

Contact Casey Gamero at 502-376-5196 with any questions or problems with registration.
