? There will be a public meeting for any non-profit organization wishing to apply for a grant from the Washington County Community Foundation. The meeting will be held on August 12, at 7 p.m. at the Community Learning Center.

They will discuss the grant criteria, guidelines, application process, deadlines and reporting process. There will be an opportunity to ask questions. The goal is that by the end of the meeting, all potential applicants will have a strong understanding of the process. All first-time grant applicants are strongly encouraged to attend this session.

This type of grant is issued from the Washington County Community Foundation's Touch Tomorrow funds. The total amount available for this grant cycle is \$50,000.00.

Grant applications for the fall grant cycle will be available at the public meeting and the WCCF office.

The Washington County Community Foundation will begin accepting applications on August 13. The application deadline will be 4 p.m. on September 22. The foundation requests the original application plus 5 additional copies.
