

Blue River Services raised \$13,500 from its fourth annual Splash and Shiver for Blue River, which was held on Saturday March 2.

“We were extremely pleased to see 141 participants plus 40 volunteers brave the freezing cold temperatures to help support the mission of Blue River Services,” said one of the event’s organizers Evelyn McPhearson.

McPhearson said the total amount raised could increase as a number of participants who were signed up to participate were unable to make it because of the weather.

“We are hopeful they will send us the donations they collected so we can count it towards our fundraising total,” she said.

McPhearson also said anyone wanting to send in late donations can contact her at the Fund Development office at 738-4196.

The following is a list of winners for the day.

Paul Wise from Hardinsburg raised \$770 to win the Splash & Shiver award for most money raised by an individual.

Boy Scout Troop 412 from Corydon raised \$205 to win the Splash & shiver award for most money raised by a team.
