

The unofficial start to summer is the annual Campbellsburg All-American Country Hoedown. This year's event was held during the first weekend of June.

The festival features a kiddie's tractor pull, talent show, baking contest and the always popular parade.

More photos from this year's event can be found inside this paper.

Photos were taken by Allison Puckett.

Pictured above is Lydia Maudlin on Farmall C Tractor. She is awaiting the parade's start.
