? Earlier this Summer, 52 Kimball International employees, including two from Kimball Office-Borden, were honored for reaching 35 years of service in 2008 at an employee luncheon hosted by Chief Executive Officer and President Jim Thyen and Chairman of the Board Doug Habig.

The Borden employees honored were Connie Burton and Inez Cochran.

The luncheon was held at Kimball's Jasper Showroom. Honorees dined with officers, had photos taken and received a gift. They also toured the showroom.

To date, 413 employees have been recognized for 35 years of service during the company's history.
