? The JCPS. & IUS adult education department is offering the “Strategies for Living Debt Free in the 21st Century” workshop. This one day workshop is aimed at helping people get out of debt using the same math system the groups use that you hear advertising on the radio, or see on TV. The workshop also gets into budgeting, while going over a system to evaluate your budget for the purpose of putting more money back into your pocket in various spending categories.

Forest “Rick” Wilson, CPCU, AIU, AIM, AIS, will be conducting the workshop. Forest has helped families through his workshops regain control of their financial future for over ten years.

The workshop will be offered on Monday, October 27 from 6 to 9 p.m. through Jefferson County Public Schools adult education. Call the office at (502) 485-3400 for more information.
