A Sellersburg man was fatally stabbed on Mt. Eden Road which is a half mile off State Road 39 near Little York.

Washington County Sheriff's Department Captain Roger Newlon said they were called to investigate a stabbing that took place on the roadway at 10:27 p.m. Thursday night.

They found a 46-year-old male dead.

Newlon said someone is in custody and is likely to be formally charged later this afternoon (Friday).

The two men were acquaintances, according to Newlon.

That is all the information Newlon could release at the time.
