Fatal stabbing near Little York

Washington County Sheriff's Department Captain Roger Newlon said they were called to investigate a stabbing that took place on the roadway at 10:27 p.m. Thursday night.

They found a 46-year-old male dead.

Newlon said someone is in custody and is likely to be formally charged later this afternoon (Friday).

The two men were acquaintances, according to Newlon.

That is all the information Newlon could release at the time.
