Our enthusiastic staff is trained to promote a safe and fun environment for all campers. As always, the YMCA's values of caring, honesty, respect, and responsibility will be modeled and encouraged throughout each day as we focus on new friendships, personal growth, and fun! Apple for the Teacher is here! Who is a teacher in your child's life? A grandparent, adult neighbor, pastor, mentor, coach, daycare provider and more. This year consider honoring the teachers in your child's life with a gift that will keep on giving for many years to come. Those who play an active role in the life of our children will be blessed with home baked goods, candles, lotions and other goodies as families try their hardest to say thank you in a meaningful way. We would like to suggest that in lieu of these many treasures, you consider making a donation to the Dr. Eddie Apple Family Youth Development Fund to support the continued work of Youth First here at the Washington County Family YMCA. Contact Rosie Morehous at [rosie@wcfymca.org](mailto:rosie@wcfymca.org) or 883-9622 for more details on how to send an apple!!
