One of the most vivid pictures of Christ's crucifixion is him carrying the very cross he will later be hung on.

For the past several years local believers have gathered on Good Friday to Carry the Cross Across the County.

This year's event will be Friday, April 18 starting at 5:30 a.m.

The cross will leave Canton Christian at 5:30 a.m. and will end up at the Livonia Baptist Church for the Good Friday Service at noon.

The guest speaker at the Friday service is Patrick Henry Hughes.

All are invited to hear his inspirational story.
