The Pekin United Methodist Youth Group is raising money to help pay for summer camp.

The group will be attending Camp Freedom, June 20-24 at Lincoln State Park near Holiday World.

One of the fundraisers will be an indoor flea market/yard sale on Saturday, May 3.

Tables may be rented for \$10 each.

Participants will be able to set up Friday, May 2 and just show up Saturday ready for the sale.

Space is limited so anyone wanting to set up is encouraged to call the church's youth Pastor George Browning at 812-620-3849.

The youth will also have a booth that day and will sell concessions.

Those who set up may also donate their stuff to the church for a United Methodist Women's yard sale later this summer.

The yard sale/flea market will be advertised in various local media outlets and local stores.

Come sell some of your stuff and help local kids attend church camp!

Members of the youth group are also available for hire.

Yard sellers/ vendors sought for Flea Market
