Wednesday, 08 April 2009 00:00 - Last Updated Wednesday, 08 April 2009 13:40

Laurie Carr has resigned from the Executive Secretary position with the Washington County Chamber of Commerce effective Friday March 27, 2009. The Board of Directors wishes her luck and owes her a great deal. Anita Bush has agreed to take over the positions' responsibilities in the interim while the board solicits resumes' and completes the hiring process. They appreciate Anitas' selfless efforts in helping the Chamber make this a seamless transition.
