

Washington County Mayhem, turned out to be just that.

A standing room only crowd surrounded the wrestling mats at East Washington Elementary as three programs battled Salem.

The East Washington Wrestling Club, the East Washington Middle School team and the Eastern High School team all three defeated Salem in the first-ever event of its kind in Washington County.

Fielding three teams at all three letters is an amazing feat considering the Eastern program was set to be stopped because of a lack of interest.

A group of parents stepped up and asked for one last chance to see if it would fly.

The group helped start the wrestling club, which has become the feeding system for wrestling at the school corporation.
